STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 10/18/2023 while exercising my duties as a law enforcement officer in the _____ District of _____ OR _____

Pursuant to 16USC 551:

On October 18, 2023 at approximately 1430 hours I was on duty and in uniform driving a marked patrol vehicle upon State Highway 199 within the boundaries of the Rogue River-Siskiyou National Forest within the county of Josephine. I am a sworn special deputy in the county of Josephine.

I observed a green Ford pickup truck with Oregon license WHA865 driving upon the roadway in a northerly direction. I observed that the vehicle's registration sticker was expired as of 2021. I further confirmed this observation by querying the license plate number through my county issued mobile data tablet.

I activated my emergency lights and conducted a traffic stop on the vehicle at the top of Haye's Hill near Briggs Valley Road. I approached and identified myself as a law enforcement officer and informed the driver of the reason for my stop. The driver identified herself by Oregon State ID Card as JENNIFER LEE. LEE stated she had never tried to update the registration since they received the vehicle from her husband's deceased brother.

I asked LEE to produce proof of insurance and inquired whether she had a valid driver's license. LEE stated she did not have a valid license nor did she possess current insurance on the vehicle. A query through dispatch informed me that LEE was suspended at the violation level.

I issued LEE a violation notice for 36CFR261.54(d) Driving While License Suspended-Violation. I issued LEE an additional violation notice for driving without insurance. I issued LEE a verbal warning for failure to renew registration and driving with an obstructed windshield.

The foregoing statement is based upon:

MY PERSONAL INVESTIGATION

I declare under penalty of perjury that the information which I have set forth above and on the face of this violation notice is true and correct to the best of my knowledge.

Executed on:
